### Artwork Theme:

## CHORE TIME

This theme is meant to depict the many different types of chores, care, and maintenance that are required for living in the western way of life. Below are some examples of this theme:

- Shoveling out horse or cattle stalls and bedding said stalls
- Brushing a barrel racing horse or a prize calf to keep them clean and comfortable
- Hauling bales to prepare for winter or restocking feed supplies
- Feeding and watering chuckwagon horses after a race
- Taking time to love and care for the animals

We Look Forward To  
Your Imagination As An  
Artist And Your Depiction  
Of The Theme
