Artwork Theme:

**COWBOY
COFFEE**

This theme is meant to depict the artist vision of all the places cowboys ponder their thoughts, share wisdom, and tell tall tales over a good cup of coffee. Below are some examples of this theme:

- Morning meeting place for coffee (ie. at the local concession (aka "Greasy Spoon") or at someones camp where coffee's brewing, etc.
- A long awaited coffee break in the field during seeding or harvest time
- Lighting a campfire and enjoying a coffee while bringing in the herd on the ranch
- Enjoying a late night coffee and visit around the fire after a good day of rodeo or chuckwagon racing

Your Imagination As An
